ABOUT ME

I am a **Python Developer** with three years work experience as an Unexploded Ordnance (UXO) Consultant and GIS Operator.

Experienced with **Python, MySQL, Git & GitHub.com, Linux/Ubuntu OS & the Terminal, Apache, Bootstrap, HTML5 & CSS3**. My personal projects include creating several professional websites including **MoriahSherman.com** (my CV site) and **VoxAnguis.com** (my tech blog).

My portfolio includes several **open source** projects most notably the **British Museum Map (BMM)** and **The Maze of the Assassins** (Assassins) Python based web applications.

PORTFOLIO

OPEN SOURCE PROJECTS

- ❑ **Github Profile:** <https://github.com/MoSherman>
- ❑ **BMM:** <https://MoriahSherman.com/bmm/search>
- ❑ **Assassins:** <https://MoriahSherman.com/wsgiassassins/start>

PERSONAL PROJECTS

- ❑ Writing my technical blog **VoxAnguis.com**
- ❑ Continuing work on **BMM** to include objects of the museum
- ❑ Building my own home server based on a **Raspberry Pi**

SKILL SETS

PYTHON

I have completed several projects in **Python**. The **British Museum Map** and both the terminal and browser versions of my text based adventure game **The Maze of the Assassins** are **Python** based applications. I am always interested in learning new modules and approaches to keep up to date with advances and changes in the **Python** community.

OTHER LANGUAGES & SKILL SETS

- ❑ **Bootstrap** framework with **HTML5** and **CSS**
- ❑ **SQL & MySQL** in both the **Terminal** and **Workbench** environments
- ❑ **Git & GitHub.com** version control in both **Terminal** and **UI**
- ❑ **Linux OS**, particularly **Ubuntu**
- ❑ Comfortable working in **Bash** in the command line **Terminal**
- ❑ **Notepad ++** text editor and **Koding.com IDE**
- ❑ **Google Drive, Libre & Microsoft Office**
- ❑ Excellent written expression (**VoxAnquis.com** blog)
- ❑ Willing to **learn new skills & languages**, next up: Django and Flask
